

Downloading books in pdf form and downloading software

The general procedure for books and for software is the same except that the books are pdf files and the software is a zip file containing the exec file and manual etc.

Note: The download prices are lower than the print/CDROM versions of these products. Not all Athelstan products are available for downloading.

Click the BUY NOW button. (**DONT USE** the “Add to Cart” button for products you want to download.)

You will see the credit card form on the e-junkie.com site.

CHARGE MY CARD 9.95 USD

Once you have filled out the form and confirmed that you want to buy the product, your card will be processed and you will get a link to download the file.

Click the “Click here” link on the next screen.

When you click the link, will get the download dialogue box and you can save the file to your computer.

Restrictions on the file are minimal. There is no password; no link to a server, no restriction on the computer, etc. There may be restrictions on printing. These are noted for each book. (There are no restrictions on printing for the software manuals.)

You will receive emails with information about the transaction and you will also be given the link to download the file -- in case you lose the connection before you can download the file.
